

*Victoria*  
*Nature's Gateway*

Dear Vendor,

You are invited to participate in the 2019 Texas Master Gardener Association Conference April 25-27 in Victoria.

Victoria County Master Gardener Association, the proud host of this exciting event at the Victoria Community Center, is contacting corporations and individuals such as yourself, giving you the opportunity to sell your products and advertise your services.

At the same time, as a vendor you will be giving Master Gardeners the chance to browse, shop and gather information. As it has been in the past, the vendor booths are expected to be a very popular part of the 2019 conference!

There are over 6,500 Master Gardeners in Texas belonging to county level, non-profit organizations. Together they make up the TMGA under the sponsorship of the Texas A&M AgriLife Extension. In past years an average of 400 to 500 members from throughout the state have attended these annual state conferences.

The annual conference provides them with continued education in the promotion of gardening and horticulture education for Texas citizens of all ages. The 2019 Texas Master Gardener Conference will feature speakers recognized as experts in their field, in addition to exciting tours and hands on workshops related to gardening.

Additionally, the Victoria Master Gardeners are aiming to attract top quality, unique vendors.

Attached you will find added details about setting up a booth and an application form for vendor spaces. There will be ample room at the Victoria Community Center Arena for vendors. However, due to restrictions, food or drinks cannot be sold except in sealed containers.

If you have any questions, feel free to contact Sandy Knief at 361-571-6568 or by emailing [vendorapplication@yahoo.com](mailto:vendorapplication@yahoo.com). You may also call Laurel Lee at 361-550-6666. You may also visit us at <http://www.2019tmgaconference.com/> and click on the vendor tab.

So, join us! With your participation in our conference you will get to know many Texas Master Gardeners, and they will get to know you!

Sincerely,

*Brynn Lee*

Brynn Lee, conference chairman

*Linda Hartman*

Linda Hartman, conference co-chairman
